

'TRUSTING THE BIBLE IN AN AGE OF SCIENCE & TECHNOLOGY'

Suitable for teens & above

OCTOBER 4-6 (THURSDAY FRIDAY EVENINGS, ALL DAY SATURDAY)

Don Batten Ph.D.

Tas Walker Ph.D.

Jonathan Sarfati Ph.D.

John Hartnett Ph.D.

Topics covered include:

- Glorifying God through the scientific study of His creation.
- Refuting the false claims of evolutionism.
- Arming and equipping believers to impact today's secularized culture with the Gospel of Jesus Christ.
- Giving answers to common questions such as: Where did the 'races' come from? What about Cain's wife? Noah's Flood? How do dinosaurs fit into the Bible?

And many more ...

Free Sensational 'Blindfold Chess Challenge'

Friday 12.30 pm in the same venue, CMI's Dr Jonathan Sarfati Ph.D., F.M., will take on up to 8 challengers from the audience at chess while he is blindfolded. Match your chess skills with this amazing master, who is also a brilliant creationist scientist and logician/apologist.

- Astronomy
- Biology
- Botany
- Biblical apologetics
- Cosmology
- Physics/Chemistry
- Genetics
- Geology
- Logic
